House Majority Leader Makes Statement on Unemployment Compensation Bill Moving to House Floor

Tallahassee, Fla. – Florida House Majority Leader Carlos Lopez-Cantera (R-Miami) today issued the following statement regarding the Economic Affairs Committee’s passing of CS/HB 7005 Unemployment Compensation.

“Today the House proposal to bring reform and equity to the Unemployment Compensation system cleared its final hurdle to reach the House Floor. The Economic Affairs Committee took an important next step to provide critical tax relief to Florida businesses by passing this piece of business-friendly legislation. I look forward to seeing this bill on the House Floor and giving our business community the support they need to help get Floridians back to work.”
